TONIGHT'S HOMEWORK

1. Begin learning your memory treasure Matthew 22:37. Jesus spoke these words when he was asked what God's most important commandment was. God wants us to put him first in our lives.
2. Sit down and try to say and spell your spelling words.
3. Do math 81B.

TEACHERS MESSAGE

1. Six Flags Read to Succeed reading logs are due on or before next Monday, February 27, if you chose to do this reading incentive.
2. Thank you for supporting our Scholastic Book Fair. It's appreciated.
3. New mathcards are coming home today...two sets!
4. Tomorrow is "Yellow Day" for Spirit Week.
5. Stapled word lists will now be sent home regularly. They reinforce words from our Superkids reading/language arts curriculum. Please collect these in a bag or box for summer brushups!
6. The children may now take home their science fair projects. If they are large, please pick them up when you come into the school. Each child demonstrated for classmates last week and we learned so much. Thank you, first graders!
