

NOTES AND NEWS

February 16, 2012

- ❖ I was very happy to see almost a 100% turn-out for the parent teacher conferences. It is always such a joy to see the concern and love you all have for your precious children. It's a team effort, this business of 3rd grade. The Church, School, and Home are all working together to train and to raise children with a strong Christian character and a faith that will guide them through the coming years.
- ❖ Next week is Spirit Week. It's much more fun if all join in the spirit and fun, so be sure to keep up with each day's events. The list has been printed in the latest "News For You".
- ❖ Singing praises! The 3rd and 4th graders will be singing in church for the 8:00 (yes, 8:00!) AM service at the Green Bay site on Sunday, February 26. We will be singing during the offertory.
- ❖ Please don't forget the Six Flags Six Hour reading program. All those participating need to turn in their forms by Monday, February 27.
- ❖ The Barkhausen Field trip is Tuesday, Feb. 21. Please have your child dressed for outside weather. The traders' cabin and the wigwam do not come fully heated. Thanks to all the parents who will be joining us for this educational trip back in time.
- ❖ Congratulations to Jacob Zernicke for placing among the top ten in the Brown/Kewaunee County Dental Association's poster contest. His masterpiece will be shown on Channel 2, on Thursday, February 23, between 4 and 4:30 PM. Jacob will also be receiving a \$100 savings bond.

In His Service,
Mrs. Marquardt
